

Senior Accountant – [Apply Here](#)

Company Summary

Our purpose at CloudHQ is to provide flexible, efficient and resilient data center solutions to businesses of all sizes. Our growing organization was founded by the pioneer of data center REITs. CloudHQ has state-of-the-art data center sites located in two Northern Virginia locations, as well as London, Frankfurt and Paris, and we anticipate exponential growth over the next several years both in the US and abroad. The Senior Accountant position is based in our DC headquarters, just a short walk to Metro Center.

The ideal candidate will be:

Meticulous when it come so the details - This role is a pivotal part of ensuring that our operations run smoothly for our clients, our vendors and our CloudHQ team members. You will monitor and analyze our payments, expenses and allocations to ensure they are reconciled monthly. Your work will include preparing monthly and quarterly financial statements and supporting workpapers. You will be involved in reviewing inter-company transactions and generating invoices. In return for your strong organizational skills, we'll entrust you with important responsibilities such as reviewing contracts, maintaining certificates of insurance (COI) for our vendors and tenants and preparing monthly draw packages for submission to lenders for construction projects.

Curious and have business acumen - Our business is fast-paced and complex. In this role, you will have exposure to challenging assignments such as due diligence for Corporate Capital Transactions, tax filings for Sales and Use Tax and Exempt Fuel purchases plus you'll get involved in other accounting projects as you and CloudHQ grow.

Driven to achieve goals, yet flexible: We expect all our team members to be highly motivated to work in an environment that values innovation and understands that the nature of our business sometimes leads to changes in priorities. Your desire for success will ensure that projects are moving forward, with a sense of urgency, regardless of the challenges.

Basic Qualifications

- Bachelor's degree in Accounting
- 5+ years of accounting experience with either a public accounting firm or a company in the real estate industry
- Proven technical skills with MS Office applications
- Experience with Yardi or similar software experience is preferred
- Excellent analytical, technical, and organizational skills
- Excellent work ethic and desire to "do what it takes to get it done right the first time"

- Ability to multi-task and be self-motivated
